

Be a Leader not a Boss

***A Boss knows everything
A Leader admits mistakes***

***A Boss dictates what to do
A Leader shows how to do***

***A Boss talks first
A Leader listens first***

***A Boss criticises
A Leader gives advice***

***A Boss gives orders
A Leader gives directions***

***A Boss demands respect
A Leader deserves and earns respect***

***A Boss rules with law
A Leader shows human Kindness***

Be a HUMBLE, SIMPLE LEADER not a BOSS
