

Shivanjali

Like a Rock Silent,
You Stand
Behind Your Lovers,
Shiva, Your Love is my sole Canopy !

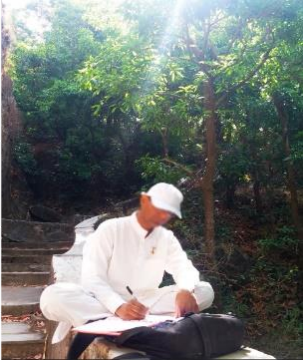

Like a Tree Sprawling,
You Stand
Sheltering Your Children,
Shiva, Your Heart is my sole Asylum !

Like a Mountain Silent,
You Stand
Shading us from the Maya's storms,
Shiva, Your lap is my sole Refuge!

Like a Melody Divine,
You echo
In the deepest streams of mine heart,
Shiva, Your Celestial Music is my sole Delight !

Like the Greenery Lush,
You Blanket
The land of my soul,
Shiva, Your touch is my sole Solace !

Like the Blazing Sun,
You beam
Your pure rays of infinite bliss,
Shiva, May I get drowned in Your Ineffable Radiance!
