

Now liberate yourself, become a *master* bestower of liberation and be come an instrument to liberate everyone.

Today, BapDada, the Ocean of Love, is looking at all the loving children everywhere. He is pleased to see two types of children. One are the children who are merged in love (loveleen) and the other are the children who are *lovely*. The waves of love of both types of children were reaching BapDada even before amrit vela. In every child's heart, the song "My Baba" was playing automatically. The same song was playing in BapDada's heart: "My children, My beloved children, the children who are the crown on BapDada's head."

Today, because of the Day of Remembrance, there were greater waves of love in everyone's mind. The garlands of the pearls of love of the many children were being garlanded around BapDada's neck. The Father was also putting the garland of His loving arms around His children. You are all merged in the unlimited arms of unlimited BapDada. Today, everyone has especially reached here in the flying vehicle of love, and from far, far away, too, children have reached here in their avyakt (subtle) form, in their angelic form, with the flying vehicle of their mind. Today, BapDada is giving all the children multimillionfold remembrance for the Day of Remembrance and so the Day of Power. This day reminds you of so many types of awareness (memories), and each type of awareness makes you powerful in a *second*. The *list* of memories comes into your awareness in a *second*, does it not? As soon as that awareness comes in front of you, you have the intoxication of being powerful. Do you remember the first form of awareness? When you belonged to the Father, what awareness did He remind you of? That you are a fortunate soul of the previous cycle. Do you remember what transformation took place with this first form of awareness? By being soul conscious, you became intoxicated with the love of God the Father. Why were you intoxicated? What were the first words of love that emerged from your heart? "My sweet Baba." And what was the intoxication you had when these *golden* words emerged? By saying, knowing and accepting "My Baba" all the Godly attainments became your attainments. You have this experience, have you not? By saying "My Baba" so many attainments became yours! Where there is attainment, you don't need to make effort for remembrance, but there is automatic and easy remembrance, since that attainment is yours. The Father's treasures became your treasures. Where you have the consciousness of "mine", you don't have to make effort to remember; there is natural remembrance. Something that is "mine" is difficult to forget, not difficult to remember. You have the experience that the body belongs to you, so are you able to forget it? You have to make effort to forget it. Why? It is "mine". So, where there is the consciousness of "mine", remembrance is easy. So, your awareness made you into a powerful soul. The one phrase "My Baba" did this. You made the Bestower of Fortune, the Bestower of Limitless Treasures belong to you. You are the children who perform such wonders, are you not? You have claimed a right to sustenance from God. This direct sustenance from God is only

received once in the whole cycle. You receive sustenance from souls and deity souls all the time, but sustenance from God is received only for one birth.

So, on this day of Remembrance and so the Day of Power, there was easily the intoxication and happiness of God's sustenance, was there not? Because today the atmosphere was of easy remembrance. So, on this day, did you remain an easy yogi or did you have to battle to have remembrance on this day too? Because today is said to be the Day of Love, is it not? So, love makes you finish making effort. Love makes everything easy. So, on this day, did you especially remain an easy yogi or were there any difficulties? Those who faced difficulties on this day, raise your hands! No one had any difficulties? All of you remained easy yogis? Achcha, those who remained easy yogis, raise your hands! Achcha, all of you remained easy yogis? Today, you bade farewell to Maya. Did Maya not come today? Did you bid farewell to Maya for today? OK, you bade farewell for today. Congratulations for that! If you remain merged in remembrance in the same way, then you will have bade farewell to Maya for all time.

BapDada wants to celebrate this year as the Unique Year, the year of being loving to all, the year that is free from effort and the year that is free from problems. Do all of you like this? Do you? Will you celebrate the Year of Liberation? You want to go to the land of liberation, so you have to enable the many peaceless souls who are experiencing sorrow to receive liberation by becoming companions of the Father, the Bestower of Liberation. Only when you *master* bestowers of liberation become free yourselves will you be able to celebrate the Year of Liberation. You Brahmin souls are yourselves instruments to become free and give liberation to many others. One type of language that ties you in bondage, instead of making you free, that makes you dependent on problems is: "It is not like this, it is like that. It is not like that, it is like this." When problems come, you say, "Baba, it was not like this, it was like that. Otherwise, it wouldn't have been like that." These are the games of making excuses.

BapDada has seen everyone's *file*. So what did He see in the *file*? For the *majority*, the *file* was full of *paper* on which promises were written. At the *time* of making a promise, you make it with your heart, you even think about it, but up to now, it has been seen that the *file* is continuing to become bigger, and it has not become *final*. For a firm promise, it has been said: Even if you have to die, you will not break your promise. So, today, BapDada saw everyone's *file*. You have all made many very good promises. You have made them in your mind and also written them down. So, what will you do this year? Will you increase your *file* or will you make the promise *final*? What will you do? Those sitting in the front *line*, Pandavas, speak! *Teachers*, speak! This year, will you make the *file* that is getting bigger with BapDada *final*? Or, will you *add* another paper this year too? What will you do? Speak Pandavas! Will you make it *final*? Those who feel that even if you have to bow down, if you have to change, even if you have to tolerate or listen to other things, that you have to change, raise your hands! Look, record everyone's picture on the TV! Take everyone's *photo*. There are 2, 3, 4 TVs (cameras). Take a *photo* from all sides! Keep this

record! Take this *photo* and give it to the Father! Where is the TV person? BapDada should also take benefit from the *file*. Congratulations! Congratulations! You may applaud yourselves.

Look, on one side there is *science*, on another side there is corruption, on another side there is sin and all of these are continuing to grow in their own way. Many new *plans* are continually being made. But you are the children of the *Creator*. You are the children of the *World Creator*. So this year, adopt an instrument of such newness that your promise becomes firm, because everyone wants revelation to take place. So much expense is being incurred. Big, big *programmes* are being held in many places. Each professional wing is working very well, but now, this year, make this *addition*: Whatever service you do - for instance, you may be doing verbal service, then don't let it just be service through your mouth, but let there be service through your thoughts, words and deeds filled with love and co-operation – let all three types of service take place at the same time. They should not be separate. BapDada sees that, in one type of service, there isn't the *result* that there should be. You also want revelation to take place, and so far this *result* has been good. It is a very good *result* compared to earlier. Everyone who attends goes away saying, "This is good, this is good, it is very good." However, to become good means for revelation to take place. So, now make this *addition*, that at the same time you have to be loving and co-operative in your thoughts, words and deeds. Give this to every companion – whether it is a Brahmin companion or an outsider who is an instrument for service. To give love and co-operation means to claim *number one* in the service through deeds. Do not speak the language, "This happened like this and this is why I had to do it like that." Instead of giving love, you sometimes have other things to say and Baba is not using those words. "I have to do this, I have to say this, I have to consider all these things." Let it not be like that. For so many years it has been seen, BapDada has allowed it to happen. For how much longer will it continue to be "Not like this, but like that."? In their heart-to-heart conversation with BapDada, the *majority* say, "Baba, when will You open the curtain finally? For how much longer will this continue?" BapDada is asking you: For how much longer will this old language, these old ways of carelessness and bitterness continue? BapDada also has a *question*: How much longer? If you reply, then BapDada will also reply about when destruction will take place. BapDada could open the curtain of destruction even now, at this *second*. But, first, those who are going to rule there should be ready. So, only when you make preparations from now will you bring completion close. In terms of any weaknesses, do not make any excuses or give reasons, find a solution. You say, "Because of this reason..." BapDada watches the games of the children throughout the day. He has love for you children, and so He repeatedly continues to watch the games. BapDada's *TV* is very big. The *world* can be seen on it at the same moment. The children from everywhere can be seen. Whether it is America or Gurgaon, everything is visible. So BapDada sees many games. The language of 'putting off' is very good, "There was this reason, Baba; it wasn't my mistake, that one did that..." OK, that one did it, but did you find a solution? Did you let the excuse remain an excuse or did you change the excuse into a solution? Everyone asks, "Baba, what are Your hopes?" So BapDada is telling you His hopes:

BapDada has only one hope - that solutions should be visible and reasons and excuses should finish. Problems should finish and things should continue to be resolved. Is this possible? Those in the first *line*, is it possible? At least nod! Those sitting at the back, is it possible? Because all of us have to return home together. If the Father wants to go alone, He can do that, but He will not go alone; you have to go with Him. It is a promise between the Father and you children. You are going to fulfil your promise, are you not?

Those from Madhuban are sitting here, are you not? All those who are *heads*, those *in-charges* – there are many in Shantivan, Gyan Sarovar and Pandav Bhavan, everywhere. Give a *list* of the names of those who are *in-charge* to BapDada. BapDada will take an account from them. And the *teachers* who are *in-charge* - whether of a *centre* or a *zone* - we will have a gathering of them one day. Baba will ask for all the accounts, will He not? This is because the sound of a lot of sorrow and peacelessness reaches BapDada. Sounds of distress come to BapDada. Can you people not hear it? There would be your devotees too, would there not? So can you, the specially beloved deities, not hear the call of the devotees? Can the *teachers* hear the sound of the devotees? Achcha.

Maharashtra Zone, Bombay and Andhra Pradesh servers: Everyone takes a good *chance*. The very name is Maharashtra. A good number of people have come. Maharashtra means the State of great souls.

It is good that there is good growth in Maharashtra. It is now the *turn* of Maharashtra. So why should Maharashtra not be *number one* in giving the *return* of the Father's love? BapDada has told you – the *return* of BapDada's love is to *turn* the self and the world. In giving a *return*, remove the re- and you will be able to *turn* yourself. BapDada has many very good hopes and you are those who will fulfil those hopes. So, what will Maharashtra do? Will it give the *return*? It is good. There are good maharathis in Maharashtra. Have a meeting all together. In the whole of Maharashtra, BapDada has seen that there are the stars of hope. They can do whatever they want. So, have a programme collectively and create some new *plans*. You can do it. Maharashtra can do it. You will do it, will you not? The very name is Maharashtra (the Great State) and so you are going to carry out a great task, are you not? What do the Pandavs think? Will you do it? Will the Pandav Army do it? Will the Shakti Army do it? There are many *teachers* too. It is very good.

BapDada meeting Double Foreigners: Very good. BapDada has also said earlier that when the double foreigners come, Madhuban becomes beautifully decorated. Everyone has a lot of love for the double foreigners. Whenever anyone sees your group they become happy because you are also the handful out of multimillions and a few out of that handful that have emerged. And nowadays there is good news of the service abroad. Baba's message is being given very well in the Muslim religion too. One speciality of the double foreigners that has been remembered well is: When the double foreigners take on any task, if they say "yes" they mean "yes", and if they say "no" they mean "no". Whatever task

they take on, they become victorious in that. So, whichever group this is, it is a victorious group, is it not? The tilak of victory is applied to you, is it not? It is good.

So, to all the loving children from everywhere, to both the *lovely* and *loveleen* children, to the *knowledge-full* and *powerful* children who accumulate multimillions at every step, according to the Father's shrimat, to the children who are always loving and who always maintain their self-respect and give respect to others – to such victorious children who always follow the Father's shrimat, to the easy yogi children who always take every step, placing their foot in BapDada's footsteps, BapDada's love, remembrance and namaste.

Nirwairbhai addressing the gathering: In the presence of Dadi Janki, many, many congratulations, congratulations to especially to those from Maharashtra Zone and also the brothers and sisters who have come here from this land and abroad. On hearing avyakt BapDada's murli, I was having the thought that our Beloved Gulzar Dadiji became the chariot of Avyakt BapDada for the last 50 years and decorated all of us so well with knowledge, yoga and dharna. Many, many congratulations also to Neeluben and the sisters who have been working with her in looking after Dadi with so much love.

Along with this, our Rukmani Dadiji who carried out the task of looking after the Delhi Zone even in this old age. Having celebrated her 100th birthday, Dadiji left her body and went into Avyakt BapDada's lap on the night of 16th January, at around 12.30 am. Deepaben, her service-companion and all others working with her looked after Dadi Rukmani with a lot of love in their heart, and we are grateful to them too. We will all always continue to benefit from the teachings and disciplines taught by Dadiji.

Today's 18th January is a very important day because it is the Golden Jubilee of the avyakt part. The part of sustenance from Avyakt BapDada through Dadi Gulzar is continuing till today. When Dadi comes here, we will honour her with a lot of respect and also thank her with the feelings from our heart. Dadiji is anyway receiving blessings from everyone's heart. According to today's murli, Baba has given us homework. As the essence of the whole murli, Baba has said one thing: Each one has to have the thought to accurately follow Baba's shrimat and to have determination in that thought. No thought can be put into practical form without determination. If we have that firm faith in our heart just once, then having a meeting with Baba through the eyes, we have this heart-to-heart conversation with Baba, and tell Him that we have such regard for His instructions. From today, we will live our lives by fully following Your shrimat 100%. We will have complete dharna. You just remain carefree about us and we will constantly continue to receive blessings from You. All brothers and sisters from this land and abroad are carrying out the great task of revealing Baba, and so congratulations to all. Achcha. Om shanti.
